Subject: WIN Re-Entry RFP

Bill, Kevin and Mayor– Please take a look at the attached DRAFT WIN RFP which would include a transitional jobs component. There are a lot more bells and whistles that need to be added, especially as it relates to Pay-For-Success language, but these are the proposed bones of the program. We'll use this during our discussion with the OSC/Crime Commission team tomorrow at 10AM In the meantime, if you have any questions or comments for me, please feel free to call or email me.

Bill – if you would please add your thoughts on the target population/selection and risk assessment tool that we'd use.

FYI I contacted Michael Thompon and David D'amora with Council of State Governments Justice Center, whom you'll recall advised us a couple of years ago on offender re-entry best practices. David reviewed this and added in language about the mental health component at my request.

Thanks!

Blair
